All lines should be 1.5px

A diagram illustrating the height of the top bar. A horizontal line represents the top edge. Below it, a yellow rectangular block is shown with the text "40px" inside, indicating its height. A blue arrow points downwards from the horizontal line to the top of the yellow block.

Diagram illustrating the width of the yellow box (40px) and the blue box (Width: 405px).

A diagram illustrating the dimensions of an image element. It features a large gray rectangle representing the image. Above the top-left corner of this rectangle is a yellow rectangle labeled "40px", indicating the height of the image. Below the bottom-left corner of the gray rectangle is a blue horizontal line labeled "Width: 260px", indicating the width of the image. The text "IMG" is centered within the gray rectangle.
